General terms and conditions for workshops, seminars and events at ceiba editions

1. Registration for workshops are made via email. The maximum number of participants is determined separately for each course and is mentioned in the announcements for the courses.
2. The registration becomes effective when you have received our written confirmation by email, after your payment has cleared. If more registrations are received than there are workshop places available, the chronological order of registrations is decisive.
3. The fees for the workshop must be transferred to the ceiba editions' account before they begin.
4. The statutory right to withdraw - 14 days - starts with the receipt of the registration confirmation. If you cancel up to 4 weeks before the course date, 25% of the participation fee will be charged as a reimbursement. After that and also in the event of a no-show, the full fee is due. If the participant provides a representative, the course will be rebooked at no additional cost.
5. We reserve the right to cancel the workshop at short notice due to a minimum number of participants not being reached up to 10 days prior the workshop, and due to force majeure which is not our responsibility (e.g. natural disaster, illness of a lecturer, break-in etc.). In both cases, the participant is either offered an alternative date or a refund of the amount already paid.
6. The participant is liable for accidents during arrival or departure and during the event.

All of our prices include 22% VAT.
